TRUSTEES REPORT FOR YEAR ENDED 31 DECEMBER 2019

GOVERNANCE & MANAGEMENT

The activities of the Church are governed by the Parochial Church Council Measures (1956) as amended by the Church Representation Rules.

Christ Church has been serving this parish, in Weston super Mare, since 1855 and during that time has made significant contributions; not least the formation of our Voluntary Aided school, Christ Church Primary School and the formation of the town's largest charity, Weston Hospice Care.

Christ Church is an Anglican Church and is staffed by a full time vicar and curate, a family worker, a student youth worker, five licensed readers, a musical director and a church administrator.

The legal decision-making body is its Parochial Church Council (P.C.C.), which is advised by a number of sub-committees and especially the two Church Wardens. The week to week management of the church is undertaken by a small team chaired by the vicar who meet monthly. As a church it seeks to be relevant to those who choose to worship here and also those who live within the defined parish boundary, not forgetting those who are in contact from outside those boundaries.

The method of appointment of PCC members is set out in the Church Representation Rules. The membership of the PCC consists of the Vicar, Curate, Church Wardens, Treasurer, PCC Secretary and members elected by those members of the congregation who are on the electoral roll of the church. All those who attend our service are encouraged to register on the electoral roll and stand for election to the PCC.

New trustees are given the Charity Commission booklet for trustees and our vicar writes them a letter setting out their responsibilities.

The church is responsible for all its financial affairs and conforms to the practice of making a contribution to the Diocese who cover all clergy stipend, pension and housing costs.

The PCC normally meets 6 times a year and there is an Annual Parochial Church Meeting for all those registered on the formal electoral roll of the Church. The P.C.C. is comprised of twelve elected members, four ex-officio members, one co-opted member and three deanery synod representatives, making a total of twenty. The PCC treasurer, Mrs H Brain, is appointed by, but not co-opted to the PCC. PCC Members, who are trustees of the charity, are:

The PCC is a registered charity No. 1134074. The full name is The Parochial Church Council of the Ecclesiastical Parish of Christ Church Weston-Super-Mare. The working name is Christ Church PCC Weston-Super-Mare.

The church address is 16 Montpelier, Weston-Super-Mare, BS23 2RH. The contact address is Mr Andrew Boardman, 29 Ashcombe Gardens, Milton, Weston-Super-Mare, BS23 2XB.

EMPLOYEES

The Diocese of Bath and Wells is responsible for the stipends of the incumbent and curate, reimbursed by the church's annual Parish Share contribution. The paid staff include an Administrator (27 hours a week), Cleaners for the Spire Centre (5.5 hours a week), a Musical Director (honorarium) and a Family Ministry Coordinator (15 hours a week), all as part of church expenses.

VOLUNTEERS

The great majority of the work of the church is performed by our church congregation, who give their time and talents developing the ministries within our church. Volunteers cover every aspect of our church life, including preaching and leading, running groups, cleaning and flowers, maintenance, service preparation, music, catering and administration. With a church membership of about 180, a large proportion is actively engaged in supporting what is happening.

OBJECTIVES AND ACTIVITIES

We aim to become a congregation that is "Living God's Love" – doing this in 5 ways: Growing in our walk with God personally – Loving each other within our congregation – Sharing God's love with others by service and evangelism – Equipping us all to live out our lives as Christians during the week – Connecting with others in places where they feel comfortable and listened to. We share these aims with our sister church Emmanuel.

Our principle activities are to provide relevant all age opportunities for weekday and Sunday worship. This includes facilities for young people through our Youth Church. During the week we are the venue for a high quality pre-school. We have a ministry to parents and toddlers through our groups which provide good social interaction and support. We aim to care for each other and those in our community by pastoral visiting and visiting a good number of residential and nursing homes. There are, in addition, other weekday opportunities for meeting together in groups for youth (Energize, and Meeting Point), men and ladies (Ladies Together, Home Crafts and Mens Group). We are actively involved in our Church school, both through school assemblies and the work of the Governors.

In all these objectives and activities the P.C.C. are aware of their duty to provide services which are of benefit to the general public and have due regard to the Charity Commission guidance.

ACHIEVEMENTS IN 2019

The year began with another well attended Alpha course – a real answer to our prayers as only a few weeks before we had no idea if anyone would attend! The group, as is often the case, continued to meet together after the course itself had finished.

The all age teaching in our church has continued where both adults and children look at the same Bible passages; this has produced some great conversations particularly in families. The annual Holiday Club was

another success, particularly for a few of our church families where the parents as well as the children were involved.

We were delighted that Angeline White had finished her reader training and it was a joy to see her licensed at Wells Cathedral in October. Angeline, already very committed to our church's Ministry, has also now taken on the role of music director during the year.

In the autumn we held another successful and enjoyable church weekend away, this time at Brunel Manor near Torquay. Tom's previous curate, Rev Simon Dunn, spoke at the weekend about our day to day walk with Jesus Christ. "So what?" was his catchphrase as we thought about the implications of Jesus's life and teaching for our own lives.

The sermon series in the autumn "Listening to sermons" looked at what the Bible says about how to listen to Scripture – and how we listen to the good quality sermons that we have at Christ Church.

In December we launched a new website for the church. In particular we are grateful to Bekah Clark and Andy Page for their work. The aim of the website is to be relevant and accessible, especially to those enquiring about the church, and it achieves this aim very well.

Bekah left us in February 2020 for the role of Associate Vicar of St Mary of Bethany, Woking where she will be working particularly with 20's and 30's. She has contributed an enormous amount to us all and we are very grateful to her. In due course we are hopeful of having another curate.

Regarding the future, the evening services for the Spring 2020 have been focussing on prayer – each evening run by a team of 3 ministers. This has produced some very engaging and interesting sessions on this vital area.

We are very grateful to Hayley Brydges for all her work as our Youth Worker. Her enthusiasm and commitment to us all as a church has been brilliant. Hayley will be coming to the end of her training in the summer and we wish her well for the future.

We are not planning to appoint another Youth Worker, but instead to appoint a Family Link Worker to work with Nicky with our young families.

Given the new website we are also planning to develop our social media more generally starting with our Facebook page.

FINANCIAL REVIEW AND FUTURE DEVELOPMENTS

As our incoming resources were under £250,000 we have been able to go back to receipts & payments accounts. The 2018 figures have been restated to receipts & payments figures from accruals ones. There was a net decrease in funds this year of £5,896. There was an decrease in unrestricted funds of £1,424 and a decrease in restricted funds of £4,472. At 31 December 2019 there is a balance on unrestricted reserves of £49,831 and on restricted reserves of £21,587.

The finance team (Helen Brain, David Wilkes and Tom Webber) have kept the PCC members fully informed during the past year, with copies of actual against budget figures sent out ready for each meeting, when there is opportunity to explain, analyse and discuss. At the beginning of the year the finance team draw up a draft budget which is presented to the PCC in January for discussion, amendment and ratification. The minutes of each meeting are posted at the back of church for the congregation to read and the finance team are happy to discuss any issues that may arise.

The PCC has been able to meet all of its financial commitments in 2019. The family ministry worker continues to be funded by donations and regular pledges but the fund is getting short of money as the payments are not covered by income each month. The youth worker is also funded by donations and regular pledges and we have enough in the fund to cover the costs until Hayley leaves.

The delivery phase finished for the major work on the church spire. £15,820 was received from Heritage Lottery Fund, (£39) refund of donations, (£10) refund of Gift Aid and £3,212 from Listed Places of Worship. £1,481 has been paid in architect's fees, £4,420 to stonemasons, £7,620 for car park and £1,039 in project costs. This left a balance of £16,567 on the Spire fund after refunds which was transferred £16,173 to other restricted funds and £394 to unrestricted funds. This followed on from the donors being asked how they would like the surplus spent or whether they wanted a refund of their share.

There is £15,000 in the heating and lighting fund for future heating replacement at 31 December 2019, included in unrestricted funds.

Also included in unrestricted funds is the legacies fund with a balance of £12,180 at 31 December 2019. The PCC agree how the legacies reserve is to be spent.

There is also in unrestricted funds a maintenance fund with a balance of £4,141 at 31 December 2019.

The plan for next year is to raise more funds to pay the increased parish share and to raise more funds for Family Ministry.

Helen Brain stepped down as treasurer in January 2020 and David White took over.

RESERVES

It is PCC policy to try to maintain a balance on free reserves which equates to at least three months unrestricted payments. This is equivalent to £37,386. It is held to smooth out fuctuations in cash flow and to meet emergencies. The balance of the free reserves at the year end was £49,831 which is higher than this target. Balances on restricted funds are held for various purposes and there are sufficient funds in these to meet their restricted costs apart from Family Ministry where we will be raising funds through grants and donations to meet the costs for 2020.

Approved by the PCC on 4 May 2020 and signed on their behalf by:

Rev T G Webber (PCC Chair)

Independent examiner's report on the accounts

Section A

Independent Examiner's Report

Report to the trustees/ members of **Christ Church PCC Weston-super-Mare**

On accounts for the year ended

31 December 2019 Charity no (if any) 1134074

Set out on pages

1 to 9

I report to the trustees on my examination of the accounts of the above charity ("the Trust") for the year ended 31/12/2019.

Responsibilities and basis of report

As the charity's trustees, you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ("the Act").

I report in respect of my examination of the Trust's accounts carried out under section 145 of the 2011 Act and in carrying out my examination, I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination which gives me cause to believe that in, any material respect:

- the accounting records were not kept in accordance with section 130 of the Charities Act; or
- the accounts did not accord with the accounting records; or
- the accounts did not comply with the applicable requirements
 concerning the form and content of accounts set out in the Charities
 (Accounts and Reports) Regulations 2008 other than any requirement
 that the accounts give a 'true and fair' view which is not a matter
 considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.
